RENO II CISTERN

RENOVATORS PLASTIC CISTERN

- Attractive plastic cistern that is ideal as a replacement/renovation unit
- Supplied with two flush pipes and fittings for both low level and mid level installations
- Factory set for 6 litre flush pans (installed 1995 to 2005)
- Can be converted to suit 9 litre flush pans (pre 1995) - instructions supplied
- The medium duty seat can be used with or without the connector link
- Design allows for flexible set out range to suit a wide range of existing installations
- For new installations the cistern can be matched with a Marbletrend Mode or Mode Deluxe pan
- 6.0/3L Dual flush - 3 Star WELS rated convertible to 4.5/3 or 9/4.5L flush
- LH/RH water inlet
- Note that due to design characteristics of some older style pans the flushing performance cannot be guaranteed and upgrading to a Marbletrend pan may be required
